

**REMARKS**

This Amendment supplements the Amendment under 37 C.F.R. § 1.111 filed May 14, 2009, which fully addresses all and every issue raised in the Office Action mailed January 15, 2009.

This Amendment merely corrects a typographical error in Table 1 (which was amended in the Amendment of May 14, 2009 in order to correct a typographical error). That is, the definition of the functional group X of Compound 29 is corrected from “CH<sub>2</sub>” to “S,” and the definition of the functional group X of Compound 30 is corrected from “S” to “CH<sub>2</sub>.” These corrections are supported by the disclosure of the specification explaining the compounds of Compounds 29 and 30.

No new matter is introduced and entry and consideration are respectfully requested.

**Conclusion**

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number **202-775-7588**.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

/Sunhee Lee/
